

## SÈNE & CIE HAS SUCCESSFULLY ADVISED BSG ON THEIR SALE TO BOLDER GROUP

The corporate finance advisory firm Sène & Cie acted as sell-side financial advisor to Sean Power, majority shareholder of BSG (Business Services Group), in the sale process to Bolder Group.

In order to continue its growth and to benefit from the favourable context for Ireland in the Corporate Services industry following Brexit, the Irish group BSG was seeking a partner with an international dimension. This task, entrusted to Sène & Cie, led to the conclusion of an agreement with the Bolder Group, headquartered in the Netherlands, thus allowing them to establish themselves in Ireland.

According to Mr. Sean Power: "Sene & Cie were instrumental in the sale of my business (BSG) to Bolder and provided me with invaluable assistance throughout the process. Their professionalism and support shown to me during the period up to completion was excellent. Any obstacles we hit during the transaction were dealt with swiftly and in my interests throughout the transaction".

Initially focused on transactions between Africa and Europe, Sène & Cie is now also applying its cross-border transaction expertise to the European market. The success of this transaction, which closed on December 19<sup>th</sup>, 2022, confirms the firm's ability to successfully complete transactions in Europe.
